### Glades Harvest Queens

### Featured Innovation In Everglades Fair Here

#### Glades Agriculture To Be Fully Covered In Displays Already Assured

Exhibits and substitutions for the EVERGLADES FAIR emphasize its growing acceptance by the public.

Some twenty-five years ago Dr. W. J. Buck, Joe Friedheim and associates put on a FAIR in Belle Glade and thereby set the stage for the "boys" of our day to live up to.

There was a generous showing of Glades vegetables and the Blimp from Miami came up to take folks for a ride using the para patch which is now Hollywood's Subdivision as a field.

Annually this FAIR was put on by the Legion in a progressively ambitious manner, but always giving the public a "run for its money" and drew many coastal visitors.

During the War a real FAIR was canceled and an excuse for a carnival was produced each year.

Since the World War II boys returned and took over the running of the FAIR it has steadily progressed in scope of displays and activities, drawing increasing winter visitors, as well as for the benefit of Glades citizens.

The ramifications of Glades agriculture have broadened and our Legionnaires have kept pace in their presentation to the public. There is a new emphasis to come on the activities of the cowboy, the cattleman, the FFA, FFA, Home Demonstration, flower gardening and other agricultural endeavors in one grand representative showing for the community in the Mayo

(Continued on Page 3)

### All The Pancakes And Sausage You Can Eat for Six Bits, And The Six Bits Goes To The Church Building

Everybody had a good idea and they're making it work!

Eight business firms have floated the raw materials and many local folks are contributing time and effort to be able to give you for the small sum of three quarters of a dollar, seventy-five cents or six bits, all the pancakes and sausage you can eat, and the Methodist Church building gets the entire cash donation.

Did you ever think all business is greedy and tight-fisted? Well if you did, just think this over.

The firms undoubtedly would give an amount equal to the value of the goods in cash to the church building fund, but then you and I wouldn't have the church's needs brought so

Walter Stecher, with President Ralph Kilday and daughter Dorothy, presents a bouquet on behalf of the Rotary Club by  
Anne Maloof, lower left; as she sang Japanese handpan; Bessie Rodriguez dressed and sang in the Brazilian atmosphere; the three singing  
strasses next Misses Dorothy Bresler, Anne Henderson and Glenda Dell receive an ovation from the audience for their performances; Mrs. Fred Bress  
is shown with her daughter Dorothy Lynn backstage before her ballet number; top right, Little Miss Patry Dooley made the halo dancers envious  
with her rendition.

Although Glenda Dell filled in with the songstress and quite well she is accepted in this community as an outstanding pianist with no  
impossible hurdles to her high acclaim nationally.

### C. L. Clayton Heads Local Elks Club

Clyde L. Clayton was elected secretary-treasurer of the BPOE for the year 1954, at the annual night meeting. Other new officers on the slate are August Kirchman, esteemed leading knight; Emmett S. Roberts, esteemed loyal knight; Edwin W. Lively, president; Charles E. Simonsen, secretary; M. M. Sabiston, treasurer; Melrose Thompson, filer.

Frank Dooley was elected to the Board of Trustees for a five year term.

#### FLUORIDATION MOVIE INTERESTS LIONS CLUB

At their weekly Lions club meeting the Lions were given first hand information on the advantages that the children of Bell Glade would derive by the addition of fluoride to the city's water supply.

This information was conveyed to the Lions by the use of a movie filmed by the United States Public Health Service.

Guests of Mrs. Hubert Chamberlain are her brother-in-law and sister, Mr. and Mrs. Starbuck of Anderson, S. C., and her brother and sister-in-law, Mr. and Mrs. W. L. Miller of Westminster, S. C. They are also visiting Mr. and Mrs. Cecil McClure.

FORMER BELLE GLADE GIRL WEDS IN ORLANDO

Josephine Myrtle Laedy of Winter Park became the bride of Wray Donald Paul of Orlando in an double ring ceremony at 4 pm March 7, at Trinity Lutheran Church in Orlando.

The granddaughter of Mrs. Henry Barber of Belle Glade and the son of Mrs. Laedy, the bridegroom, Paul of Orlando spoke words before the Rev. Albert Bealski in a setting of gladioli, snapdragons and ferns and litigated tapas.

Mrs. Beverly Hall and Mr. Richard Murphy, soloists, and Mrs. M. Woolgar, organist presented a program of wedding music.

The bride wore a mauve wool jersey two piece dress with fitted bodice and full gored skirt. Embroidered seed pearls and rhinestones trimmed the ensemble and mauve flowers frimmed her hat. She carried a purple orchid on a small white Bible.

Miss Mickie Garrett was the maid of honor. The bride wore a light blue jersey frock with scoop neck, full skirt and commer- bumb and a white carnation corsage at the waistline of her dress.

Wray Paul was his son's best man and his usher was Liam Barber of Belle Glade and Joseph Barber of Pahokee, both uncles of the bride.

Mrs. Barber chose for her granddaughter's wedding a navy blue flounce dress with red and white floral trim.

A reception followed at the home of the bride in Winter Park. A four tiered wedding cake topped with miniature bride and groom graced the refreshment table.

Mr. and Mrs. Billy Barber

home was in St. Louis and Kirkwood, Mo. Mrs. Barber graduated from Kirkwood High School. He is associated with his father in the bakery business in Orlando.

Mr. and Mrs. Billy Barber and son of Belle Glade and Mr. and Mrs. Joseph Barber of Pahokee attended the wedding.

## Births

March 13 — Mr. and Mrs. Willard M. Jones (Janet Johns) announce the birth of a daughter, Deborah Kaye, at Jackson Memorial Hospital, Miami.

March 8 — Rev. and Mrs. F. Hollingsworth announce the birth of a daughter, Paula Jean, at Methodist Hospital, Philadelphia, Pa. Mr. and Mrs. F. E. Hollingsworth are the maternal grandparents.

March 13 — Mr. and Mrs. Connie Bowen (Betty Roberts) announce the birth of a son, Steven Conradi, at the Good Samaritan Hospital, West Palm Beach.

## HOSPITAL NOTES

Receiving medical attention at the Belle Glade Memorial Hospital are Raymond Garner, James Binkley, Mrs. Hayden Williams, Mrs. Richard Harris and Mrs. J. A. McGehee.

## GLADES HARVEST QUEENS

(Continued from page One) Agricultural Pavilion at the Experiment Station. Such a combined effort, which would include the entire scope of Glades Agriculture, will leave many of the South's other FAIRS standing in the shade.

The fact that this is about us — April 1st to 10th — is lining up as one of the quality of which Glades citizens will be proud. Last year's over 13,000 paid admissions are expected to be exceeded. The public deserves the wholehearted support of the Community, as much for their plans as for the very excellent showing to be made.

The Florida Fresh Water Fish Commission will have an educational exhibit and display animals as well as fish.

The sugar industry will be represented by U. S. Sugar in an interesting and educational exhibit.

All Lake area schools will have exhibits so that proud Mammas and Papas, as well as the kids will be pleased. The negro schools are included in this and usually make it hard for all contestants in the prize money.

Glades queens — and we got 'em boys — are entered in a contest sponsored by the Jaycees for the title of GLADES HARVEST QUEEN.

More and more old carnival displays are now being used and an iron-clad contract signed with a most reputable show man for the carnival attraction. You'll be given a chance for your money this year and the shows will be clean and respectable.

Kids days will be announced, and special occasions arranged, for everyone is invited and promised a real FAIR.

There are miniatures and imitators, but no reproductions nor substitutes for the EVER-GLADES FAIR.

## TICKETS ON SALE

(Continued from Page One) What with Japanese beetles and various other insects, the attention of the public is now turned to the drilling of a well, and visiting relatives of the Fuller family discover that getting away from it all isn't quite the Utopia they had been led to expect.

Miss Pope plays the part of the benevolent Newton Fuller. Joanne Holladay will be seen as Fuller's pessimistic wife, and Jeanie Royals as their daughter, who's dazed by a summer vacation in the sun.

Jimmy Beaulieu will play the Uncle who's infatuated with the sound of his own voice and Irvin McTaggart will portray Ray蒙德, a malevolent moppet.

Others in the play will include James Allen, Mrs. Norman, Virginia Corbin, Virginia Kelso and Micky Herring.

The comedy is under the direction of Miss Barbara Stark, Senior English teacher, who has been conducting rehearsals for the production. Directed by the senior class is another one of the comedy bits from the gifted pens of Kaufman and Hart, authors of "The Man Who Came to Dinner," "Once in a Lifetime" and "You Can't Take It With You."

Under ROTARY

the Negro Women's Civic League is directing a group which will canvass the negro population in the community. The progress of this Community under the sponsorship of their own Committee each year handles the Red Cross Drive and other Red Cross activities in a manner to afford an example to the community.

Luther Jones local member of the Executive Committee of the Palm Beach County Red Cross Chapter.

Mr. Bamford, as General Chairman says "We feel confident that Belle Glade will make its quota within the two-day

**THE BELLE GLADE HIGH SCHOOL GIRL CHORUS** will be held at the High School Auditorium at 7:30 pm. April 14.

The contest is for pre-school children, entry fee for child and mother is \$1. Admission adults \$2.00. Children, 35 cents. Children are to wear short dresses, not formal.

**GIRLS CHORUS COMPLETE IN DISTRICT CONTEST**

Friday, March 19, the Belle Glade High School Girl Chorus under the direction of Miss Marion Najarjan will go to Miami Edison High School to compete in the District Contest.

A class competition they will have is the Nightingale by Tchaikowsky-Horwitz, and My Garden is a Lovely Place by Glen Barton. That night at 8:00 the group will sing in the Mass Concert.

Saturday morning, Glenda Dill, Playing Impromptu by Chopin, and Alma McClure, playing Minute Waltz by Chopin, will enter the Piano contest to be judged by Mrs. Marsten.

Saturday night, Slim, most of the fishermen were using silver spoons, underwater plugs and they were really biting Saturday and Sunday, better than any two days in a year.

In specialty nets, the Continental Review offered several that will be outstanding on most any stage and are a matter of pride to local folks.

Ann Malcolm, lower left, in one of the several costumes used by her for her act. Rosee Braddock as a Scotswoman was dressed in tunic with his song; a comedy act, lower right, in which Vernon Dexter and Hal Hunter appeared at the top of the quartet, with Anna Pipes as accompanist were encored several times on account of their real popularity.

Photo by Averill. Sponsored by Illustrators but helped by many non-Illustrators this annual event offers a class of entertainment that should pack a house in the future.

**ROTARYANNS LINED UP FOR RED CROSS DRIVE**

Mrs. Ripley Weeks, Chairman of the Women's Division for the whirling Red Cross Drive next week has announced the list of Rotaryans as workers.

These ladies will divide the entire community into short areas and commencing Monday morning will cover the residential areas of the City so that everyone will have an opportunity to contribute to the drive.

The ladies will divide the weather was last night, just a shade too windy but they say that's when you hook the big ones. Only 13 more days to try your luck for one of those grand prizes.

C. E. Tyson and Fred Rauler brought in a nice string of 18, the last. Some of the other boats came in with bass weighing from 2½ to 4½ lbs.

**WCSS ANNUAL SILVER TEA SLATED TODAY**

The Annual Silver Tea of the Woman's Service Club, Service of the Community Methodist Church, will be held this afternoon at the home of Mrs. S. K. Smith, Jr., 125 N. W. Ave.

Mrs. H. V. Drus and Mrs. W. S. Ingram are co-chairmen with Mrs. Joe Friedland, Mrs. Barbara Collins, Mrs. P. L. Burke and Mrs. Ruth Timmons assisting.

**CITY CLERKS TO ATTEND SHORT COURSE MAR. 21-24**

Frank Anderson, city clerk, accompanied by Mrs. Anderson and daughter, Pauline, will lead Sunday for Gainesville. Mr. Anderson will attend the 12th annual short course for municipal finance officers and city clerks at the Student Service Center,

The nominating committee presented a slate of the following officers for the coming year: Pres. Mrs. Marvin Win; vice pres. Mrs. Carol Chalcanian; 2nd vice pres. Mrs. Pauline Pickett; secy. Mrs. E. B. Rutherford; treasurer, Mrs. Russell Tucker; parliamentarian, Mrs. Robert Ford; auditor, Mrs. Bill Rhodes. Election of officers will take place April 21.

**EAST FISHING REALLY GOOD LAST WEEKEND**

Bill Eggleston, was winner of the weekly Black Bass Fishing Tournament with a 3 lb. 10 oz. fish. He also had the largest fish, five and seven pounders were.

Slim said that several were brought in last week weighing over 7 lbs. but they were not registered. Too bad! Gardner Parikh came in with a 18 lbs. 13 oz. fish, one of them at 7½ lbs., he would be fishing with live bait.

The other parties catching the 2½ and 7½ pounders were from out of town but could easily have won by chipping a hole in the pot.

According to Slim, most of the fishermen were using silver spoons, underwater plugs and they were really biting Saturday and Sunday, better than any two days in a year.

The Nightingale by Tchaikowsky-Horwitz, and My Garden is a Lovely Place by Glen Barton. That night at 8:00 the group will sing in the Mass Concert.

Saturday morning, Glenda Dill, Playing Impromptu by Chopin, and Alma McClure, playing Minute Waltz by Chopin, will enter the Piano contest to be judged by Mrs. Marsten.

University of Florida campus, March 21 through March 24.

The program will be primarily a discussion and designed only to assist the visitor in meeting the current problems, but to prepare him for meeting of new problems through a broader knowledge of accounting and financial matters.

**BPW/GC VISIT HERALD TO STUDY OPERATION OF HOMETOWN PAPER**

Imogene Fontaine led a dozen of her Business and Professional Women Club members on a visit to THE BELLE GLADE HERALD Tuesday night for a conducted tour through the plant.

After a brief outline of the policy of the HERALD with regard to a strictly local coverage of the news and the omission of the international and crime news, Clarence Aspinwall gave the group a demonstration and explanation of the workings of the mechanical end of the paper.

Verna Mathis, office manager, and Kathleen Livingston, society editor, assisted in receiving the visitors.

Pointing out the small turnover of employees, Publishers Jones emphasized the more than 110 years of combined experience of Mr. Newton and Aspinwall in all phases of the printing trade throughout the United States.

Mr. Newton is the oldest active member of the Typographical Union and Mr. Aspinwall is a small number of the oldest.

Program Chairman Banna Rodriguez, who arranged the inspection tour was accompanied by Mrs. Betty Jean Myers, Mrs. D. Parks, Mrs. Annel Wells, Mrs. G. G. Gandy, Mrs. Louise Fontaine, Mrs. Ann Quinn, Mrs. J. G. Barstow, Mrs. Mary Fay and Mrs. Wayne Fortenberry, Mrs. Ross Nash, reporter for Palm Beach Post was also a visitor. The group then proceeded to the home of Mrs. Rodriguez where a program was presented by Mrs. J. G. Barstow on, "How to prepare news for publication and the importance of publicity." Refreshments were served by Mrs. Rodriguez and Mrs. Quinn.

**ROTARIANS ASSIGNED TO RED CROSS DRIVE WORK**

General Chairman Bamford announced the following assignments for Rotarians in the Red Cross Drive to begin Monday, March 22nd.

Elmer Wever has the privilege of picking one or more assistants for the areas charted from the list of unassigned Rotarians.

**TRACTOR DEALERS TO FURNISH EQUIPMENT FOR FFA PROGRAM**

The regular meeting of the Belle Glade High School Agricultural Advisory Council was held at Pioneer Co-Op Thursday, March 11. All the tractor dealers of the area were present to present their plans for securing necessary equipment for the operation of the agricultural farm. The farm consists of 20 acres devoted to pasture and 40 acres devoted to pasture crops.

The problems of furnishing equipment were discussed at the meeting. It was decided that Mr. Curtis Thompson, Ford Tractor Dealer, would be the man of a committee devoted entirely to securing the necessary equipment for carrying out a modern farm program. C. W. McDonald, representing the Oliver Tractor Co., and P. M. Shughamshire, representing International Harvester, were appointed as members of this committee.

Curtis Thompson,  
Reporter — FFA**UNITED STATES MARINE CORPS RECRUITING STA.**

Former Marines with the unit now in the Far East or travel to the states can now do so according to recent information released by headquarters Marine Corps. E-Leavehernicks and sergeants and below on active duty, are eligible upon return to recruit their duty station in one of seven areas in continental United States or ville.

mittie. It was agreed that all tractor dealers would take turns furnishing a tractor for the agricultural program much the same as the driver education car is furnished to the school at present.

With such cooperation from the tractor dealers and other agencies in Belle Glade the agricultural program at Belle Glade High School will be greatly accelerated.

Curtis Thompson,  
Reporter — FFA**FLA GIRLS TO ATTEND STATE CONVENTION**

Mary Claire Crider, and Jeanette Friedheim are running for office of State FHA treasurer and parliamentarian at the Future Homemakers of America Convention to be held in Miami, April 10-12. Other FHA members planning to attend are Dorothy Bresler, Arlene Kirchman, Lois Ingram and Jane Norris.

**CHURCH OF CHRIST'S SCIENTIST**

Victory over human limitations is the theme that Jesus taught in his ministry. He taught that man's true strength is spiritual, not material, and that he lives in Spirit, God, not in matter. This is a leading point in the Lesson-Sermon to be heard at Christian Science services Sunday.

The Lesson-Sermon on the subject of "Matter" the following Bible verses will be read from Isaiah:

"Seek ye the Lord while ye may be found, call ye upon him while he is near. Let not the wicked forsake his way, and let the righteous man his thoughts; and let him return to the Lord; and he will have mercy upon him; and to our God, for we shall abundantly pardon. For my thoughts are not your thoughts, neither are your ways my ways, saith the Lord" (55:6-9).

The following passage from "Science and Health with Key to the Scriptures" by Mary Baker Eddy will also be read: "God is Mind. Imperfect mortal mind sees forth its own resemblances, which of the wise man said, 'All is vanity'" (239-249).

The Golden Text is from Isaiah: "The grass withereth, the flower fadeth; but the word of our God shall stand forever" (40:9).

**GEMS OF THOUGHT**

**Flowers**  
Lovely flowers are the smiles of God's goodness.

What a delicate flower could be a world without flowers? It would be a face without a smile; a feast without a welcome.

— Mrs. Clara Lusa Balfour.  
To me the meanest flower that blows can give thoughts that often lie too deep for years.

— William Wordsworth.  
The only intelligence or substance of a thought, a seed, or a flower is God, the creator of it.

— Mary Baker Eddy.

To analyze the character of flowers is not the least musical of them. It is one of those things which it is far better to enjoy, than to attempt fully to understand.

— Henry T. Tuckerman.

There is not the least flower but seems to hold a secret and to look pleasantly, in the secret sense of the goodness of its heavenly Maker.

— Robert South.

**60 SECOND SERMONS**

**By Fred Dodge**  
TEXT: "Sadness is work left unfinished; — work that was never begun." — Christina Rossetti.

Some years ago an illiterate, but loyal party member was appointed Postmaster in a small town. The Postmaster General received complaints that no mail was being sent from this post office. An inspector was sent to investigate.

He asked the Postmaster why no mail had been sent out. The Postmaster replied, "I have nearly empty mailing bags hanging on a hook in the corner."

"I ain't sent it out," he said "because it ain't nowhere near full yet."

Some local newspaper men who "some day" are going to write a book or a story or a series of articles. They are competent, skillful writers. They have experience and ideas. They are simply waiting for the bag to fill before they start writing. Papermen are not alone in waiting. We are all guilty. No one can guess the total of worlds unconquered — nor how much poorer mankind is, because so many of us decide to wait until the bag is full!

I interrupted him, looked him in the eye and corrected him. "The reason you backslide, you quit praying, you quit reading the Word, and you quit going to church?" He staked in right away and he confessed, "you're right."

A winner never quits and a quitter never wins.

(Minute meditation by Brother Mac)

**The Belle Glade Herald****News Of Churches Of The Glades Area**

KATHLEEN LIVINGSTON, Editor

**YOU NEED YOUR CHURCH YOUR CHURCH NEEDS YOU...****Onward, Christian Soldiers***Of a half century's writing, an author is remembered for one night's work*

In the dark days when Rev. Sabine Baring-Gould ministered in little-known Horbury, England, on Saturday he converted his bachelor quarters into a meeting room for the local school in the same room. After school he retired to his study and wrote into the small hours of morning.

While it was a day of festival for the children, with crosses and banners, to a neighboring town to join other children for the annual service of the Cross.

At 6 a.m. at the home of Mr. and Mrs. Douglas Mathewson, 606 S. Main St., the confirmation class will be held to be followed at 7 p.m. by Evening Prayer which will include a discussion of the teachings and practices of the Episcopal Church by Father Petrie.

ern Bell territory now have telephones.

The report also noted that 576 independent companies joined Southern Bell in serving the South. These companies made more than 1,200 communities in 1953 bring their total number of telephones in service to more than 1,000,000. Telephone usage reached high levels as Southern Bell customers made about 28,640,000 local calls per day — an average of 10 calls per telephone, highest daily "Calling rate" in the nation.

Responding to rapid communications of the Abram poll since it was established, many observers in the press are giving this particular poll full consideration since it accurately foretold the election of Governor Fuller Warren and Dan McCarty, the defeat of Claude Pepper by George Smathers and the election of P. G. O'Dowd to the House in ration and state.

The technical quality of Southern Bell service continued to improve during the year. The report said the time an average telephone was free from service interruption had been extended to 18 months as compared to 20 months in 1953.

Telephone wages and salaries continued to be the principal operating expense, consuming 49.3 percent of the Company's expenses in 1953. The report disclosed that Southern Bell's 60,691 employees received wages and salaries totaling \$206,693,209.

Next to wages, the Company's biggest single operating expense was telephone bills, which amounted to more than \$157,000,000. This included operating taxes of \$28,789,000 levied directly on the Company, and Federal, State and Local excise taxes totaling \$74,284,000. All told, about 31 percent of the subscriber's monthly bill went for taxes, or about \$3.18 per month per telephone.

### VETERANS INFORMATION AND SERVICE

By Melvin T. Dixon  
State Service Officer  
Reserve Obligations After

This is the first of a series regarding Reserve obligations following release from active duty in the Armed Forces of the United States.

The following categories of persons are covered by obligation:

(1) Men inducted, enlisted, or appointed between June 24, 1948 and June 19, 1951; (2) Men enlisted between June 24, 1948 and June 19, 1951, for one year of active duty; (3) Men drafted, or appointed after June 19, 1951, before their 26th birthday, and anniversaries.

(Reserve obligation does not apply to men entering military service after their 26th birthday, and anniversaries.)

The number of years one must spend in the Reserves is outlined in the Universal Military Training and Service Act, not in the Armed Forces Reserve Act. However, the Armed Forces Reserve Act does define all enlistment and obligated periods of service in Reserve components, in force at the beginning of any future war or national emergency declared by Congress, shall be extended until six months after the end of the war or national emergency.

This provision does not apply to presidentially-declared emergencies such as the present one.

If I drafted between June 24, 1948 and June 19, 1951, there is no Reserve obligation when active duty service has been at least 33 months. Regular enlisted, under age 26 when entered, must serve 36 months active duty to be freed from a Reserve obligation. However, if during that period there has been only 21 or 24 months' active duty as a draftee or enliste, there is a five-year Reserve obligation. On separation, one is automatically released from the Ready Reserve, and after three years therein may be transferred to the Sandusky Reserve.

If one volunteered at age 18 before June 24, 1951, and served only one year, there was a six-year Reserve obligation. Similarly, if separated, one would placed in Ready Reserve. He gets out . . . stays in . . . the same way as does the present June 19, 1951 draftees.

3) By contrast, if I drafted after June 19, 1951, and was inducted or enlisted if under age 26, have it tougher. "Initially" enlisted or induced applies to men who have no prior service in any component of the Armed Forces, active or inactive. They get an eight-year Reserve obligation.

This can be put in by a total of five years' active and Ready Reserve service, followed by three years in the Standby Reserve. Four-year men would have one year in the Ready Reserve, three-year men, two years; and two-year men, three years.

The law protects men who have served on combat duty in

Korea from recall from the Ready Reserve, also gives consideration to family obligations and employment.

### Too Late To Classify

By Russell Kay

My friend Joe Abram, who conducts the Florida Political News, asked me at it is about to be first bulletin dealing with the coming elections was released March 2.

In view of the amazing accuracy of the Abram poll since it was established, many observers in the press are giving this particular poll full consideration since it accurately foretold the election of Governor Fuller Warren and Dan McCarty, the defeat of Claude Pepper by George Smathers and the election of P. G. O'Dowd to the House in ration and state.

You may know that brucellosis as Brucellosis or contagious abortion in livestock, and as undulant or Malta fever in humans. The ninth most important human disease, it can mean untold suffering and expense.

"If I could have figured out what I did wrong, I would be better off," I told him. "I would have known what I did wrong."

Many people argue that brucellosis presents no real problem because cooking of meat products kills the brucellosis germs.

"However," it continues, "they forget that a large number of people, including almost every housewife, handle meat before it is cooked. And meat far too many still drink unpasteurized milk."

To destroy this danger, a

### BANGS DISEASE CONTROL IS OBJECTIVE OF PROGRAM

Farm leaders are aiming what they hope will be a knockout blow to one of the worst livestock diseases in this country — brucellosis.

A program was set up to wipe out brucellosis at a recent Southern Brucellosis Conference. The Conference is sponsored by the Progressive Farmer, a Southern farm magazine, in cooperation with the National Brucellosis Committee, Southern Agricultural Workers Association, and the U. S. Department of Agriculture.

You may know that brucellosis as Brucellosis or contagious abortion in livestock, and as undulant or Malta fever in humans. The ninth most important human disease, it can mean untold suffering and expense.

"If I could have figured out what I did wrong, I would be better off," I told him. "I would have known what I did wrong."

Many people argue that brucellosis presents no real problem because cooking of meat products kills the brucellosis germs.

"However," it continues, "they forget that a large number of people, including almost every housewife, handle meat before it is cooked. And meat far too many still drink unpasteurized milk."

To destroy this danger, a

Regional Committee will be set up to serve as a clearing house for information and to act as a coordinator in the brucellosis control program.

This committee will collect and distribute news of the program and progress.

The Conference recommended that each State form a State Brucellosis Committee with representation from all segments of the livestock industry and its allied agencies.

Each state committee will develop a brucellosis eradication program to cover three main fields:

1) Needed legislation; 2) Adequate education program.

Among states already at work is Wisconsin. She has launched a main brucellosis control effort by the formation of a state-wide, 28-man committee composed of delegates from every county, town, city, village, town and town.

The committee drafted a program of control and eradication that has received the unanimous endorsement of all groups. Effective legislation was introduced and supported.

CHRYSLER APPOINTS REGIONAL SALESMANAGER

The appointment of E. F. Reddy as regional sales manager for the Jacksonville region is announced by E. M. Braden, general sales manager, Chrysler Division, Chrysler Corporation.

He succeeds A. L. Morrison, who

He succeeds A. L. Morrison, who was born in Sumatra, graduated from Washington University in St. Louis and joined his father in the automobile business selling Chrysler products.

In 1942 he joined the Army and served in North Africa and Italy. After the war he joined his father's automobile agency after the war. He was appointed district sales manager with Chrysler in 1949 and was assigned to the New Orleans region.

### HARDY COUNTY SINGING CONVENTION TO MEET

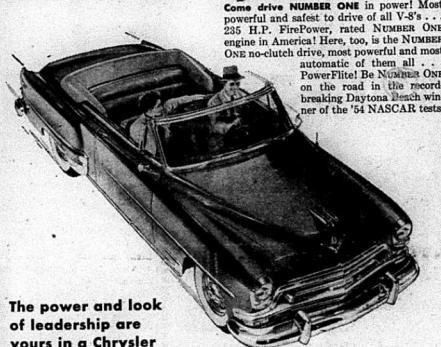

The Hardy County Singing Convention will meet all day Sunday, March 21, 1954, at the North Ave. Church of God, in Wachula. Dinner on the grounds. Everyone welcome.

### MARY-CLARE CRIDER CAPTAINS HIGH SCHOOL RED CROSS DRIVE AIDS

Mary-Claire Crider has accepted the Captaincy of the high school group of volunteers for the Red Cross Drive commanding Monday.

The school will be divided among the following workers: Frances Sloane, Harry McDonald, Joel Parker, Jane Norris, Louis Friedheim and Donald Tanner.

### FLORIDA POWER & LIGHT COMPANY

# Outdoor Florida

By Herb Meeker

A poor-fishing period is drifting by this season, but with Spring's approach things should improve." Is how one of our Palm Beach county coastal fishing correspondents sums up the situation. He is a man who has fished in the State of Florida who knows fishing better than this correspondent, or a more expert fisherman, so what he says will be of interest.

The fish are not so accessible, though they do," he says, "but for salt water fishing, continuing: "Some, yes, but not many. A few nice pompano have been taken but darn few. The Spanish mackerel made a short visit to Lake Worth recently. Sea trout are up and about. Very good fishing, and to date had according to a couple of our best trout fishermen. A nice bluefish or "bankolino" weighing 164 pounds was taken from Lake Worth (near Sfgher's) on the average was between 3 and 4 pounds.

"The fish are not so accessible, though they do," he says, "but for salt water fishing, continuing:

bridge. Spinner sharks are plentiful on the outside with a few large kings and a few sailfish taken aboard the Marlin II off Palm Beach some few days ago. A poor fishing period is drifting by this season, but with Spring's approach things should improve." Thanks for a good and true report.

Some of the reports you hear on the radio and read in some of the coast's newspapers should be discounted considerably. This correspondent, tells the straight truth!

One of 40 bonito taken on a single day by Ted Williams. Ted was using the 6 feet 6 inches rod which bears his name. He used an ordinary fly line and a Phillips western shrimp. His leader tapered down to a 6 pounds test tipper.

The average was between 3 and 4 pounds.

Ted Williams made this catch of bonito just before his untimely death in a spring horseback trail riding.

FISHING LURES which have stood the test of time are few and far between. Among those which I used as a little boy, and am still using today, are the HILDEBRANDT lures.

Hildebrandt who is at present in Fort Lauderdale, — I expect him to stop by to see me most any day. Meanwhile, I've been trying to get some more Hildebrandt's 1954

cluding the "Hilde Debuntante", the "Spin-Ding", the "Spin-Dilly", "Spinning Shiners", the truly amazing "Small Fry Spinners", and others. A picture of these is reproduced in this column. These Hildebrandt lures are just "murder" on bass, perch, pike and red-breasted bream in fresh waters. I cannot think of a single lure which excels them . . . very few which are in the class.

Most of the steel Hildebrandt lures have been selling them since memory runneth not to the contrary. Just in case you are a "modern" fisherman who has been unlucky enough to miss out on Hildebrandt lures, take a dip and try some of them next trip. It is always a pleasure to recommend really good sporting good in this column.

I first used Hildebrandt lures in Lake Osborne in 1916. There on through the '20's there. Lake Osborne is "back" of Lantana. I well remember the many days on that lake when the only way to catch a bass was with a Hilde lure — and not even live bait would catch 'em! It is a pleasure to give this tip to fellow anglers.

TED WILLIAMS TESTS ROD

all-time high figures representing gains of 8.04 percent is staggering and 5.02 percent in attendance over 1953.

With no major construction work going on at Hialeah between now and the 1955 meet, it is expected that the track will complete the new \$2,600,000 clubhouse and other improvements before the meeting just ended — the picturesque plant will be open to sightseers as a public park beginning April 20. The total cost of the improvements, including more than a half-million, will again be welcome. This does not mean, however, that no further improvements are contemplated. They are. As track president John C. Clark said, "We are not resting upon past achievements."

Back in 1932, the state's revenue from Hialeah racing came to only \$258,772.23. Now it's close to \$6,000,000. At last resorts, racing — the foremost spectator sport — was the state's largest money earner of all time. In the group with gasoline, state sales tax, beverages and auto license.

It has been pointed out by McCormick that "between nine and 10 percent of all the money in fact comes from racing." The people would be paying a lot more taxes if it weren't for Hialeah and other tracks. For example, in one average-size county, taxes would have to be increased by 16½ percent."

### SELF EMPLOYMENT REPORT IS IMPORTANT IN SOCIAL SECURITY COMPUTATIONS

Thousands of business men and women in this area will be filing a Schedule C as part of their income tax return for 1953, and most of them will be reporting self-employment net income for social security purposes.

R.C. Gehring, Jr., Manager of the social security office, emphasized the importance of self-employment income you

should file for your self-employed income.

It has been pointed out by McCormick that "between nine and 10 percent of all the money in fact comes from racing." The people would be paying a lot more taxes if it weren't for Hialeah and other tracks. For example, in one average-size county, taxes would have to be increased by 16½ percent."

Third, remember only self-employment income covered by the law counts toward social security.

Fourth, remember certain business and personal expenses are not deductible. It is important, therefore, that you describe your business accurately. So do not write "sole owner", "partnership", etc. Instead use "retail grocery", "movie theatre", etc.

Finally, remember the amount of self-employed income you

should file for your self-employed income.

The Public Agency Loan issue was decided last year when, in the act which abolished the RFC and established the small business administration, the congress authorized a program. During the life of RFC, 275 public agency loans aggregating \$35,041,000 were made in Florida alone, and there has been recent demonstration of the continued need for cities and towns to apply to the government for assistance in building waterworks, sewer systems, developing ports, and other public facilities.

employment income accurate and complete. He pointed out that future social security insurance payments to the individual, his dependents or survivors will be based on these reports.

To insure everyone of getting proper social security credit for his self-employment income, Mr. Gehring issued these reminders:

First, remember that only one individual can be listed as self-employed income. Therefore, only one individual's name should be shown on the Report of Self-Employment Income. If a husband and wife file a joint income tax return, the husband's name should be shown on the Report of Self-Employment Income, if he is the one who had the income. If the wife is the self-employed person, only her name should be shown, and if each of them had self-employment income, two separate forms should be filed for each.

Second, remember your social security account is identified by your social security account number. Therefore, your account number must be shown on the report before your income can be credited to your individual social security account.

Third, remember only self-employment income covered by the law counts toward social security.

Fourth, remember certain business and personal expenses are not deductible. It is important, therefore, that you describe your business accurately. So do not write "sole owner", "partnership", etc. Instead use "retail grocery", "movie theatre", etc.

Finally, remember the amount of self-employed income you

should file for your self-employed income.

## Why value-wise buyers are swinging to Ford!

They are finding that Ford brings them everything they might want to meet modern tastes and requirements

You can't buy better! It's the stunning Customline Ford. See it.

Ford's the only low-priced car with all these "Worth More" features

### Recognized leadership in styling

You can pay more but you'll never find a car that's more "at-home" wherever you may drive it. For the smart new '54 Ford is as modern as tomorrow with the crisp, commanding lines of today's style leader. And it's just as smart inside! The sparkling new decorator-designed interiors have colorful new upholstery fabrics and harmonizing trim that spell quality wherever you look.

### Choice of most modern engines

Ford and Ford alone, in the low-price field, offer you a choice of V-8 or Six, the brilliant new 120-h.p. Y-block V-8 or the flashing new 115-h.p. 1-block Six. Both Ford engines have rigid, extra-deep blocks for smoother, quietest operation and extra-long life . . . plus the

savings and "GO" of modern, high-compression, short-stroke, low-friction design.

### Ball-Joint Front Suspension

For the first time in any low-priced car, you get the smoother ride and easier handling of Ball-Joint Front Suspension — an advance you'd expect to find only in the costliest cars.

### Choice of 28 new models

With fourteen stunning body styles available with either of Ford's new engines, Ford offers a car to suit every taste and need. In fact, for '54, Ford offers the widest selection of models in the entire industry!

### Top value at resale

Used car prices show that in recent years Ford has consistently reported a higher proportion of its cars sold at resale than any other car. And for '54, with all the advanced new features, Ford is worth even more when you buy it . . . and it stands to reason it should be worth more when you sell it, too.

We cordially invite you to Test Drive the 1954
